

# The Lifeblood of the Interior

💧 Help keep it flowing. 💧

From February 21-March 21, Interior Region EMS and

The Blood Bank of Alaska Fairbanks Center will

join forces to sponsor the 2018 EMS Symposium Blood Drive.

Between Feb. 21 and Mar. 21, walk in or make an appointment at the Blood Bank to donate blood. When you do, tell the clerk what Interior EMS provider you'd like want to support: any of the Interior squads are eligible. The squad that "donates" the most will be recognized at Symposium with a trophy. In addition, there will other prizes and surprises!

The goal is to gather 10 gallons during this month. That's 80 people from a borough populated by 80 times 1000! Surely our EMS providers AND our neighbors are worth this effort!

This is an opportunity to show your support for your EMS providers, and to donate a vital commodity to the community.

The Blood Bank of Alaska Fairbanks Center hours of operation:

Mon, Tue, Thur, Fri-10am-6pm

Wed. 7:30am-3pm

Closed Saturday and Sunday

907-456-5645

QUESTIONS?? Contact Interior Region EMS Council at 456-3978.
