Dear EMS Supporter:

I am writing today to ask you to assist your local emergency medical service volunteers by supporting the Interior Region Emergency Medical Services Council's 24th Annual EMS Symposium through a cash donation. This year's symposium will be held March 23rd and 24th, 2018.

We are a non-profit corporation whose mission is to improve the delivery of EMS in the Interior of Alaska. We do this primarily by assisting EMS squads with training, equipment and management support. A large portion of the EMTs and paramedics in the Interior are volunteers.

We feel that helping to maintain volunteer EMTs is money well spent. The hours they provide save local communities and businesses hundreds of thousands of dollars annually, as well as improving our quality of life. With ever decreasing government resources, they need your help now more than ever.

Our annual 2-day symposium provides continuing education at a very low cost right here in Fairbanks. We organize high quality educational programs using local volunteer instructors as well as guest speakers from other areas. Each year the costs associated with the symposium rise. Your cash sponsorship will help us keep registration costs to a minimum and make it affordable for these dedicated volunteers.

Enclosed is a sponsorship form for your use in making a donation. Thank you very much for your generous sponsorship. If you have any questions, please do not hesitate to contact me.

Sincerely,

Kathleen Patella  
Training/Resources Assistant
