

EMT-2, EMT-3, AK AEMT Applicants

MEDICAL DIRECTOR RESPONSIBILITIES: CERTIFIED PERSONS. (a) A medical director's approval of standing orders for a state-certified EMT-1, EMT-2, EMT-3, or AK AEMT for the activities outlined in 7 AAC 26.040 and 7 AAC 26.540 must be in writing. Additional medications or procedures not listed in 7 AAC 26.040 or 7 AAC 26.540 may be approved by direct voice contact with an on-line physician, or by written standing orders from the medical director in accordance with 7 AAC 26.670.

- (b) The medical director for a state certified EMT-1, EMT-2, EMT-3, or AK AEMT shall
- 1) provide direct or indirect supervision of the medical care provided by each state certified EMT-1, EMT-2, EMT-3, or AK AEMT;
 - (2) establish and annually review treatment protocols;
 - (3) approve medical standing orders that delineate the advanced life-support techniques that may be performed by each state certified EMT-2, EMT-3, or AK AEMT and the circumstances under which the techniques may be performed;
 - (4) provide quarterly critiques of patient care provided by the EMT-1, EMT-2, EMT-3 or AK AEMT, and quarterly on- site supervisory visits; the department will, in its discretion, grant a written waiver of this requirement based on difficult geographic, transportation, or climatic factors; and
 - (5) approve a program of continuing medical education for each state certified EMT supervised.

As physician medical director, I support the certification of _____ at the EMT-____ level and will continue to perform the duties of a physician medical director as outlined above.
